

Customer Acknowledgement of 3rd Party Payee and Rate Requirements

I acknowledge that the DG Rebate payment is going to a third party named below and I understand that I will not be receiving the rebate payment from ComEd.

I also acknowledge and understand this does not exempt me from the program requirements outlined in the measure specifications and terms and conditions. The terms of this rebate require that I take service under a Qualifying Utility Product (QUP) for the life of the system, and if I am not already taking service under a QUP at the time the DG Rebate is processed, I understand that ComEd will switch my supply to Rate BESH effective with my next billing cycle and that I must remain on Rate BESH or another QUP for the life of the system.
