

INTERVAL DATA **LETTER OF AGENCY**

As of [date], [name] (“you” or “your”), the electric utility customer for the service address [address] (Choice ID # [redacted]) authorize Base Retail, LLC (“Base Retail”) to:

- 1) Warrant to ComEd (“Utility”) that you have authorized Base Retail to access your interval electric usage data for the service address listed above (the “Data”);
- 2) Receive the Data from the Utility according to Utility’s tariffs and practices; and
- 3) Use the Data and provide the Data to Base Retail’s affiliate Base Power Development, LLC or other Base Retail affiliate that owns or operates the Battery System, for the sole purposes of Base Retail’s development, marketing, and provision of current and future products and services to enable you to more easily and effectively manage your energy consumption.

If you authorize Base Retail to take the steps described above, Base Retail agrees that:

- 1) Other than as described above, Base Retail will not release, license, or otherwise disclose the Data to any third person. Base Retail will never sell the Data to a third party for any purpose; and
- 2) Consistent with Utility’s tariffs and practices, Base Retail will cease receiving the Data from the Utility in the event that: (i) you are no longer a customer of Base Retail, or (ii) you revoke your consent using the process described in your retail supply terms of service with Base Retail. Utility may continue temporarily to provide the Data to Base Retail while your revocation is processed. If you revoke your consent, you may no longer be eligible for your current Base Retail product or service and Base Retail reserves the right to terminate your service without any early termination charge to you.

You may refuse to execute this Letter of Agency and prevent Base Retail from accessing the Data. However, because your Base Retail product or service relies on Base Retail’s access to the Data, you may not be eligible for the Base Retail product or service you have requested.

By executing this agreement (including electronically signing), you agree that you have reviewed this Letter of Agency and acknowledge and agree to the terms above.
